

SUMMER REBATE BONUS

**GET
MORE.
PAY LESS.**

LIMITED TIME OFFER

**Get up to 75% more cash back on equipment that
will pay for itself in reduced energy costs.**

LIMITED TIME OFFER

CUT YOUR ENERGY COSTS AND GET EVEN MORE CASH BACK.

This summer, you'll get the regular Union Gas rebate plus additional cash back when you purchase, install and apply for our incentive on eligible energy-efficient equipment.

Don't miss out. When September ends, this offer does too.

Equipment Installed by September 30, 2015	Regular Rebate	Bonus Rebate	TOTAL CASH REBATE

Undercounter and Stationary Rack	\$100	\$50	\$150
Fryers	100%	+50%	
	\$200	\$100	\$300

Air Curtains

Air curtains block the blasts of hot or cold air from outside whenever a shipping and receiving door is opened, keeping indoor temperatures comfortable while reducing energy waste.

Demand Control Kitchen Ventilation (DCKV)

DCKV systems respond to variations in stove use, allowing fans to regulate exhaust automatically, which improves air quality and reduces energy use.

ENERGY STAR® Dishwashers

ENERGY STAR® commercial dishwashers are able to clean and sanitize institutional kitchenware with up to 40 per cent less water and energy than standard models.

ENERGY STAR® Fryers

Commercial fryers that have earned the ENERGY STAR® rating are up to 35 per cent more energy efficient, ensuring shorter cook times and higher production rates.

GETTING YOUR REBATE IS EASY:

- Provide a copy of the purchase invoice, dated between June 1 and September 30, 2015
- Submit an application online at uniongas.com/savemoneyandenergy
